

TASMANIAN
LANDCARE
ASSOCIATION

TLCA ANNUAL MEMBERSHIP FORM

(1 JULY 2009 - 30 JUNE 2010)

ABN: 50 622 521 764

The TLCA is your independent non-government representative body with a membership of Landcare, Bushcare, Waterwatch, Coastcare and 'Friends of' groups throughout the state. To be eligible to join the TLCA, your group must be a bona fide volunteer 'care' group whose principle aims are associated with restoring and conserving our environment.

Has your group received funding assistance in the past 12 months? Please give brief details (e.g. \$5,000 council grant for tree planting)

Funding source:.....Funding amount

Project description.....

PLEASE TURN OVER

Our core business as an organisation is to provide members (i.e YOU!) with:

- Best practice volunteer management services (including assistance with recruiting new volunteers)
- Relevant and up to date information
- Opportunities for sharing and networking between groups, volunteers and stakeholders
- Promotion of successful on-ground works and projects
- Resources and tools to support your work
- Volunteers through the TLCA *Extra Hands* program (we can promote your activities and events to volunteers signed up with the *Extra Hands* program - these volunteers can lend you a pair or two of 'extra hands')

WE'RE HERE TO HELP YOU - Please let us know of any ideas about what would make your job easier as a group. We are a community-based organisation ourselves, with limited resources, but we're always looking to improve the support we can provide to care groups across the state.

Please let us know the things that would make a real difference to your local group. We'll try and find ways to help those things happen.

The 3 things that make or break our work as a group are:.....

.....

.....

.....

.....

.....

.....

.....

It would really help us if TLCA provided the following services:

.....

.....

.....

.....

.....

A large part of our job is promoting what's happening in landcare in Tasmania. Tell us a bit about your local group - a recent project, or a defining story of what your group is all about. These stories help us provide support services, resources + find funding opportunities that match up with your needs.
