Other Funding Opportunities 2010

Does your care group have projects it would continue or begin if funding was available?

The TLCA will be providing Tasmanian Landcaring Grants up to \$20,000 to care groups and landcaring landowners in 3 rounds during 2010-11. Projects must address Australian Government Caring for our Country (CfoC) priorities.

QUICK CHECKLIST (*Check the boxes next to the questions which apply to your care group's project*)

- Will your project build capacity in your care group and increase the number of active volunteers?
- Will your project strategically control Weeds of National Significance (WONS)?
(ie boneseed, blackberry, bridal creeper, gorse, serrated tussock, Chilean needle grass, willows - *Salix* spp.)
- Will your project be working within or be adjacent to a Ramsar wetland?
(Moulting Lagoon, Apsley Marshes, Logan Lagoon, Lavinia, Pittwater-Orielton Lagoon, Little Waterhouse Lake, Jocks Lagoon, East Coast Cape Barren Island Lagoons, Flood Plain Lower Ringarooma River, Interlaken)
- Will your project improve native habitat (including threatened species and communities) through fencing or restoration?
- Will your project include fencing, weed control, re-veg and/or tracks to protect heritage values in a coastal area?
- Will your project include signage to protect shorebird habitat?
- Will your project be in the vicinity of an important bird area?
(see www.birdsaustralia.com.au/images/satories/current-projects/iba/newsletter%202008%20Tas.pdf)
- Will your project work with landholders to improve knowledge and skills in land management practices?
- Will your project increase soil organic carbon or raise awareness of soil carbon storage?
- Will your project be maintained once the funding has finished?

If you have ticked one or more boxes, your care group may be eligible to receive funding

- Would you like TLCA staff to contact your care group with more information?
