

# Tips for Volunteers

- Remember that you may be invited to explore private land – please leave your pets at home.
- Please meet at the designated meeting spot and your host will arrange your transport from there.
- Please be punctual, as others will be waiting for you.
- No volunteer is allowed to drive a vehicle as part of the extra hands event.
- Please inform your host of any allergies, asthma or relevant medical conditions and take any necessary medication with you.
- When you arrive at the event please make yourself known to your host.
- Remember to ask questions – you are here to learn so make sure your host knows what to tell you about.
- Please use any rubbish bins provided or take your litter home with you (including cigarette butts).
- Remember to give extra hands any feedback – we WILL act on it.

Volunteer when you want, where you want and do what YOU want to do
