

# Seed Collecting

**Saturday 16<sup>th</sup> February 2008**  
**Murrayfield - Bruny Island 10.30am**

## What are we doing...

Learn how to collect seed from native Tasmanian plants. It is also a great opportunity to visit this spectacular property, have a look at revegetation sites and collect seed.

## How to get there...

Meet at Kettering at 9am to car pool on the 9.30 ferry to Bruny Island. Ferry departs 9.30am and returns 2.15pm.

On Bruny travel 8km along the road from the ferry to the main intersection. Turn right towards South Bruny. The Murrayfield entrance is about 1km along on the left hand side. Park at the shearer's quarters.

## What to bring...

Lunch and drinks, sturdy footwear, sun protective clothing, sun hat, sunscreen. If possible please bring your own secateurs, pen and large paper bags (old envelopes are great).

## Other information...

Kids are welcome!!

**Please RSVP and forward any queries to Ruth Mollison on  
03 62344286 or [secretary@understorey-network.org.au](mailto:secretary@understorey-network.org.au)**

**Thank you for participating in extra hands**
